D. U. LEADS CROWDS TO THE FINISH

And Win Cup by Defeating Dekes 30-13—E. L. S. in Second—Dekes Finish Third

SEASON'S LAST GAMES

STANDING OF THE TEAMS

Team	Won	Lost	P.C.
D. U.	8	0	1,000
E. L. S.	7	1	.875
D. K. E.	6	2	.750
Theta Delt	4	4	.500
Neutral	3	5	.375
Alpha Delt	3	5	.375
Chi Psi	3	5	.375
Psi U.	2	6	.250
Sig	0	8	.000

In the deciding game of the Interfraternity Basketball League on Tuesday night, the D. U. team secured a decisive victory over the Deke five and thereby secured possession of the cup. On account of this defeat the Dekes dropped back into third place with the Emersonians as runners-up. The defeat of the Neutrals by the Theta Delts on Monday night gave the latter fourth place in the standings.

In the championship game, the D. U.s started off with a rush and secured eight points before the Deke quintet got started. Lawler scored the first goal, and Valentine followed this up with another. Welsh scored the first point for the Dekes on a foul. From then on the going was fast and each team displayed clever pass work. However, the D. U.s had the advantage of the offensive play. The first half ended with a 23-7 score in favor of the D. U.s.

Second Half Fast.

The second half was much closer and each team stiffened up its defense. Welsh drew first blood a minute after

CLINTON HOME GUARD BANQUETS IN COMMONS

Clinton people and the college students were brought into closer touch with each other by the banquet of the Clinton Home Defense League held in Commons Hall last night. After the banquet, which was held at 7:30, students in uniform were welcomed to the smoker, at which Capt. K. G. Strachan, of the Black Watch Highlanders gave an address upon the organization of defense units throughout the country and the duties which they are called upon to perform. At present Capt. Strachan is in charge of the British recruiting station for Eastern New York, located in Albany.

Prof. Chase, captain of the Clinton Home Defense Unit, presided at the meeting and introduced the speakers. President Ferry welcomed the Clinton Battalion on behalf of the college.

INTER-CLASS RACE STARTS TOMORROW

Seniors vs. Juniors, Sophs vs. Frosh in Opening Games—Second Round Friday—Finals Monday

Due to the military smoker in Commons last night, the interclass basketball games which were scheduled were postponed until tomorrow night, when the Seniors will meet the Juniors and the Sophomores the Freshmen. The second round will be played Friday night, and the final games of the series on Monday.

This year the strength of the teams is an unknown quantity as few of last year's contestants will be seen in the line-ups this week. The 1918 five, which was runner-up for the banner last year, has only two men who have represented the class before: Powers and Griffith. Both of these are on the all-fraternity five. Powers has the largest number of points to his credit of any man in college, while Griffith is conceded to be one of the hardest guards to score on who has been on the court this season. The rest of the team will be picked from Brooks, Link, Lowell, Jones, and Moore. Center will be the hardest position to fill.

Good Chance for 1919

The Juniors made a strong bid for honors last year, and still have Welsh, forward, Morrow, center, and White, guard. In addition, Fursman, who was forward on the 1918 combination, will play forward, and Keeler or Stone, the other guard position. 1919 should finish well toward the top.

The freshmen team last year made a rather sorry showing, but will put a much stronger team on the floor this week. Baumler, Johnson, and Ruff will fill the center and forward positions capably, with Allen, MacLachlan, Mengerink, and Kaiser to fill out from.

1921 has a wealth of material to pick from for all positions. Lawler at center, and Cowan at guard are sure of places, with the rest of the positions open to competition. Men who have played are Pritchard, MacWilliams, and Parker, center; Hutchins, Hirsheimer, Keehne, Seaver, Van Kennen, Whitbeck, forwards; Van Hoesen, Campbell, and Dunning, guards.

MANY NEW MEN ON INTERCROWD TEAMS

First Team Easy to Pick, Second, Many Toss-ups—Usefulness and Ability to Score Counts

ALL-COLLEGE TEAMS

First Team	Position	Second Team
Powers	Forward	Morrow
Welsh	Forward	Hirsheimer
Lawler	Center	Pritchard
Griffith	Guard	White
Cowan	Guard	Campbell

In selecting the two best interfraternity teams in College, **Life** in conference with Mr. Prettyman, not only took into consideration scoring ability, but general usefulness in team work, experience, and the team with which each man was playing through the season. Few of last year's choices are still in College, but these all held their own in the competition. Powers is still forward on the first team, while Welsh and Griffith moved up from the second five to the first.

First Five Easy

The first team was not difficult to select, the five men standing out above their competitors in all respects. The second choice gave more trouble and was almost a toss-up between several men for all the positions. Van Ken-

OUTLOOK FOR EASTER TRIP LOOKS BRIGHT

Manager Bull Outlines Trip to Take in Syracuse, Binghamton, Auburn, Rochester, Oneonta, Newburgh, and Kingston—Alumni Active.

Correspondence from zealous alumni during the past two weeks has entirely dispelled the lugubrious outlook for an Easter trip and has encouraged the management of the clubs to state that the trip is now a probability.

To date, Manager Bull has outlined a trip to begin the day college closes, March 28, in Syracuse, and he is negotiating with Auburn, Binghamton, Oneonta, Albany, Kingston, and Newburgh for further dates. Newburgh and Oneonta have assured the management that they will entertain the clubs.

Two requests for concerts came Saturday from Binghamton and Rochester. The General Student Associatio of Binghamton applied for a Friday evening concert which, under the present schedule will be impossible; however, an effort to change the appearance to some other night is being attempted. Fitch, '08, of Rochester, asks for a concert to be given under the auspices of the Central Church of that city.

Moore, '17, wrote last week that "the clubs will play Oneonta April 1st." He says, "The people around here went wild over the concert last year and are fairly begging for a repitition; I have been asked repeatedly if the clubs wouldn't come back this year. And it is all because of the splendid program the boys put on here last year. Many have already promised to aid in making the concert successful."

Hewitt, '92, is stimulating a concert in Syracuse, and soon other alumni in that vicinity will be at work on it. The Auburn concert rests with Drummond, '01, and the success in the other towns is in the hands of alumni. Prospects in New York are at present very doubtful. Most of the young alumni who have in years previous been instrumental in promoting appearances in Hotel Astor have enlisted and thus far no one there has been found who will undertake a concert.

With the brighter outlook for an Easter trip, both clubs have taken new interest in their work and Leaders Clum and Morrow are now conducting some very profitable rehearsals.

Frank Day, Ex-'14, Serving in Picked Engineer Regiment

Busy in French Tourist Town With Topographical Division—France a Nation of Mourning Women.

In a recent letter from Frank Day, ex-'14, some interesting accounts are given of his life in France. Day is at present Corporal in Co. A, 29th Engineers, being attached to the topographical division of the American Expeditionary Force. Day was drafted September 29th from Sidney, and after going to Camp Dix was selected as one of sixteen men to become members of an engineer regiment that was soon to go across. Day is an achitect by profession and is connected with the mapping and drafting end of the engineers' job. Excerpts of his letter follow:

"After landing we traveled 24 hours to our first camp. Our next move took us forty-eight hours to reach this place, after that I was in the hospital eight days as you know. These two trips are the worst times I have had over here.

"They tell us this town is one of the big tourist places of France, and I can believe that. I spent some time one day visiting a very good museum. There are fragments of old Roman art, some of Rembrandt's and LeBrun's paintings; work of other good painters and sculptors; some very good relics from the Bronze Age. The interesting things I would like to write about would give our location away, and we are not allowed to do that.

"The program for each day is as follows: At 5:45 we pile out for reveille; mess at 6:30, at 7:30 physical exercise and drill by squads alone. This takes about an hour. After 15 minutes rest we go for a hike and then drill until 11. At 11:30 mess. From one until four the men are split; the draftsmen work in the drafting room, the surveyors go outside to work, and computers go after their work. Retreat at 5 o'clock, followed by mess. The nights we have off; lights out at 9:45.

"Tonight I have had the good fortune to be invited into the home of a fine French family in the town. We had some circus trying to talk, though I can understand them fairly well, but it is hard for me to pronounce so as to be understood. France is indeed a nation of women in mourning, soldiers, old men and boys. It is wonderful how they keep stores and shops and business moving. When the American casualty lists are published in America the people there will know a little of what these people have gone through, and I hope the Americans can bear up under the load the way the French have."

—Hundreds of Columbia students thronged St. Paul's Chapel last Tuesday to hear James W. Gerard, ex-ambassador of the United States to Germany, and a graduate of Columbia, tell of some of his experiences with Prussianism.

Are You a War Saver?

What is a Thrift Stamp? What is a War Savings Stamp? How can you buy them and for how much? There is not a man in College who should not know the answers to those questions and who should not be already acting upon them in proportion to his financial ability. This war will have to be won by thrift and this last war saving campaign of the government is an effort to make thrift possible for the poorest.

"That's all right, but it doesn't concern me," you say. A good many college men have the bad habit of thus indifferently dismissing things. Of course, we are not as yet earning fixed incomes, but we are spending somebody else's fixed income and it is therefore in our power to practice thrift. A thrift stamp costs 25 cents. Sixteen thrift stamps with a few additional cents may be exchanged at the postoffice or some other authorized agency for a War Saving Stamp which pays you $5 in 1923. Can you cut down on your cigarette and candy consumption enough so that you will be able to buy one thrift stamp a week? You can. Will you?

"WE ARE AT WAR. Millions of our brothers and friends have answered the call to arms. They feel that America is worth fighting for. A country worth fighting for is worth saving for. War-savers are life-savers. Buy War Saving Stamps."

According to the best authorities our duty for the present is to remain in college and to pursue diligently our work here. But the fact that some day we expect to see service, does not absolve us at the present from the responsibilities of a civilian population in war times.

Millions of people throuout this country are signing thrift pledges, binding themselves to the following points: (1) To systematic saving, (2) To refrain from unnecessary expenditures and the purchase of non-essentials, in order that labor and material now employed in the production of articles not necessary for health and efficiency may be released for the production of those articles and supplies which the United States needs for the support of its Army and Navy, (3) To lend their earnest efforts to encourage thrift and economy in their community...., (4) To purchase United States War Saving Stamps and Thrift Stamps and to encourage others to do so. Could you, men of Hamilton College, sign such a pledge with the clear conscience that you have been living up to it since our declaration of war? Would you sign such a pledge now to apply to the future?

You can buy War Saving Stamps and Thrift Stamps at the Clinton Postoffice where they will also give you a card free on which to paste them. You are loaning your thrift to your country and they are paying you interest on it. Remember that we have to have money to prosecute this war and that if our government cannot get it from you thru borrowing it will have to take it from you thru taxes. "Every stamp you lick helps to lick the Kaiser."

MANY NEW MEN ON INTER-CROWD TEAMS

(Continued from page 1.)

nen, Morrow, Hutchins, Hirsheimer, Keehne, Lowell, Johnson, and Ruff, all played strong games at the forward positions.

For center, Pritchard, Parker, and MacWilliams were all considered, Pritchard getting the decision because of all around play. Campbell, Keeler, Moore, and White were the candidates for the guard positions. Campbell was a hard man to eliminate from the first line-up, being fast on the court, a good shot, and fitting well into the floor work of his team. White was chosen as his running mate because of his strong defensive work.

Basketball Summary

Inter-Crowd Basket Ball Started Six Years Ago

D. U. Wins Three Times, Dekes Twice, Alpha Delts Once—Supplanted Intercollegiate Sport

The season of interfraternity basketball, which has just closed, makes the sixth year of the league at Hamilton. Previous to that time intercollegiate basketball was on a par with football and baseball, but the faculty in ruling it out, declared that there were not enough men in college to permit such a schedule of athletics and something had to be dropped. As it was possible to still keep the game on the Hill by establishing interfraternity relations, a thing not possible with any other sport, basketball was cut out. In 1913 the league started under the direction of the manager of intramural sports.

During the six years of interfraternity competition, Delta Upsilon has won the cup three times, Delta Kappa Epsilon twice, and Alpha Delta Phi once.

For the first two years, 1913-14, Delta Upsilon with Leavenworth and Erhardt taking the star roles had things all their own way, although in 1914 they were forced to play off a tie with the Dekes. In 1915, the Alpha Delts came through for victory.

In 1916 the combination of Donohue, Donoghoue, and Brockway began to rise in power and they shook off the D. U.s after a hard race. Last year, 1917, was practically a repetition of 1916, and D. U. was nosed out by the Dekes in the final game. This year the Dekes were badly struck by the loss of their great combination and with a team considerably below their former strength came through the season with only one defeat up to the last game, which they were defeated by D. U.

WEATHER HALTS CARNIVAL

The winter carnival scheduled for Washington's Birthday was called off on account of unfavorable weather conditions and the fact that the wind had blown the slide over. In its place an informal skiing trip was taken by Prof. and Mrs. Dale, Prof. and Mrs. Chase, Prof. Brown, Mr. and Mrs. Charles Rogers, Perkins, White and Hawkins. The tramp lasted about three hours. Perkins was the only one to meet with an accident, breaking a ski in a tumble at the end of a difficult slope.

—The Yale Athletic Association has decided in favor of the renewal of formal athletic relations with Yale's "natural competitors." However, Professor Corwin, Chairman of the Faculty Athletic Board, in making this announcement, specifically states that "athletic sports must be made subservient to military training and discipline." This involves the limitation of practice to three days a week because of the heavy recitation schedule added by the military work, and the cutting out of professional coaching, long trips, etc. It is the belief of the faculty, nevertheless, that "this will give us a steadier student body, a healthier moral tone in the university, and, in consequence, a course better both in its academic and military phases."

—A $50,000 gift from an association of women physicians and of an additional $18,000 from other donors has enabled Columbia University to begin the erection of buildings at the College of Physicians and Surgeons for the accommodation of women students. The enrollment of this college has steadily increased, although forty members of the faculty are in active military service.

D. U. LEADS CROWDS TO THE FINISH

(Continued from page 1.)

the play started with a field basket. From that point on the ball seesawed back and forth, and neither team had any advantage. The game, from the standpoint of scoring, was even in this period. When the final whistle blew, the score stood 30-13 in favor of the uphill aggregation.

Lawler with 14 points and Valentine with 10 were the high scorers for the D. U.s, and Capt. Griffith played a strong defensive game. Welsh, with 7 points was high scorer for the Dekes. In the second half Keane replaced Van Kennen.

The line-up:

Delta Upsilon.		D. K. E.

—A class of fifty Princeton students is receiving practical instruction in navigation on board ship sailing for Key West. This period of practical work is to finish off the theoretical study in which the men have been engaged since last fall. The highest ten men in this class will receive commissions as Ensigns immediately upon the completion of the course. All other men will be required to take the regular government examinations before appointment.

ACHIEVEMENT
Twenty-five years ago the General Electric Company was founded.
Since then, electricity has sent its thrill through the whole structure of life.
Eager to turn wheels, to lift and carry, to banish dark, to gather heat, to hurl voices and thoughts across space, to give the world new tools for its work—electricity has bent to man's will.
Throughout this period the General Electric Company has held the great responsibilities and high ideals of leadership.
It has set free the spirit of research.
It has given tangible form to invention, in apparatus of infinite precision and gigantic power.
And it has gone forth, co-operating with every industry, to command this unseen force and fetch it far to serve all people.
By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

With the Colleges

—C. C. N. Y. has issued its first call for baseball candidates. Regular practice will start March 1st, weather permitting.

—The West Virginia basket ball team has left on its eastern trip with only eight players. They will play Alleghany, Syracuse, Niagara, Buffalo, Colgate, and West Point.

—Prospects for a resumption of intercollegiate baseball at Harvard were considered when fifty candidates for the 'Varsity and freshmen baseball squads reported last week.

—Saying that "informal sports have not proved a success," Professor Corwin, Chairmar of the Faculty Athletic Board of Yale, announced in the Yale Daily News that the University Athletic Association had decided to form regular teams again.

—A number of ski and snowshoe events were run off at Dartmouth last week-end in place of the regular Winter Carnival which was called off. On Saturday, representatives from Williams, Maine, New Hampshire, and Amherst competed against the Dartmouth team.

—Announcement has been made at Columbia that a $50,000 gift from women physicians and a sum totaling $18,000 from other donors have enabled the University to begin the erection of buildings at the College of Physicians and Surgeons. The new buildings will afford additional laboratories for the use of the College.

—Fifty Princeton students have left College for a three weeks' trip to Key West, during which they will receive practical instruction in navigation. The class, which is under the direction of Dr. A. G. Mayer of the University Faculty, has been preparing since last fall to take examinations for commissions in the navy, and they are finishing off their theory work with actual practice on the water.

College Men "Make Good"

When an emergency arises in business, political or military crises, a call goes out for "college men." They are expected to "make good." And they do. The reason for their success is their abiltiy to bring their special training to bear on the problem at hand.

In financial matters this trust company is prepared to meet the constantly changing conditions due to the special training and long experience of its officers and staff.

Our several departments offer the following services:

(1) Checking accounts—large or small.

(2) Large or small interest accounts on which we pay 3½ per cent.

(3) Loans on promisory notes, on collateral security, and on real estate mortgages.

(4) 3½ per cent. interest bearing Certificate of Deposit.

(5) Acts as executor, administrator or trustee for decedent estates.

(6) Agent or trustee for estates of living persons.

(7) Safe Deposit Boxes to rent for $3.00 per year and up.

We especially welcome the opportunity of serving men "on the Hill."

COACH WANTS MORE MEN IN ATHLETICS

Men Name Sport They Expect to go Out for—Baseball and Track Men Soon Busy

In order to ascertain the number of men who were going out for Spring sports Coach Prettyman had cards distributed in Chapel on Thursday morning on which the fellows indicated the sports in which they intended to try out for. It is Mr. Prettyman's intention to have all of the men in College participate in some form of athletics during the Spring months, and while many will not try out for the various teams they will come out and play baseball, tennis, or use the track for the purpose of recreation only. This will not only serve the purpose of giving these fellows some good physical exercise, but may also show up some good material which otherwise would not be brought to light. The result of the crads was as follows: Varsity Baseball 36, Baseball for recreation 52, Varsity Track 30, Track for recreation 39, Tournament Tennis 23, and Tennis for recreation 111.

Baseball Cage Up

The baseball cage has lately been placed in the gymnasium and practice will begin this afternoon. The men out for Assistant Manager of Track have recently constructed some new hurdles which will be superior to those used heretofore. Track practice will begin in the next few days with indoor workouts for the first few weeks. It is hoped that all men who have signified their intention of going out for the various sports this season will get an early start not only in coming out to practice, but also in starting training early and keeping it up.

Psi U. and E. L. S. Dance

Emersonians Have Party Thursday—Psi U.s Friday

Two crowds, the Psi U.'s and Emersonians, took advantage of Washington's Birthday and held dances at their respective houses. The up-hill crowd held its dance Thursday night. The Psi U.'s entertained from Friday afternoon through the evening. Dancing was the pastime until 11:30, when the guests left for Utica on the 11:30 car.

Guests at Emerson Hall were Miss Florence Bradford, Union Springs; Miss Margaret Urtz, Willowvale; Misses Elizabeth Williams, Sophie Karl, Margaret Boyle, and Messrs. Leland Pohl, '17, and Joseph Musselman, '17, of Utica; Misses Margaret Knapp, Laura Rounds, Violetta Burns, Peggy Norris, Althea Kimberley, and Ruth Coult, of Syracuse, and Mr. Earl Watkin, '12, of Clinton. Mrs. Harry Garvey of Utica chaperoned.

The Psi U guests were Misses Kathryn Roberts, Angela Roberts, Alice Campbell, Mary Rice, Helen Ney, Lucille Maxwell, Beatrice Beatty, Geraldine Stedman, Marion Gurley, and Mr. Edward Hyland, of Utica; and Miss Dorothy Waley, of Auburn. Chaperones were Mr. and Mrs. Stewart Foster of Utica.

DEBATERS CHOSEN TO DEBATE UNION MARCH 21

The Hamilton-Union Debate this year will be held on March 21, the negative debating in the College Chapel against the Union affirmative and the affirmative crossing swords with the Union negative on their home grounds.

Final try-outs for the Intercollegiate Debate Teams which will debate with Union were held Wednesday night and the two teams which will represent Hamilton were chosen. The affirmative team is composed of Collins, Jones and Lowell, '18, and Rosenthal, '20, alternate, and the negative team will be Link, '18, Hutchinson, '19, Fry, '20, and Keeler, '19, alternate. From now on the two teams will work together in preparation for the final debates. Frequent debates will be held under the supervision of Professor Lewis and the debate council which will act in an advisory capacity and help in the coaching of the men.

PROF. CLARKE CALLED

To Colors in Base Hospital 48—Dodge, '18, in Same Unit—Profs. Flippin and Ibbotson to Take Prof. Clarke's Courses.

Two more names have been added to the rapidly growing list of Hamilton men in the Service with the calling out of Professor Edwin Leavitt Clarke and Harold Swan Dodge, '18, for active service beginning March 4, with Base Hospital Unit Number 48. These men enlisted in this organization early in December, and have been drilling in Utica for the past three weeks.

It has not been definitely decided just what arrangements will be made for filling Professor Clarke's place, but President Ferry stated Sunday that in all probability Professor Ibbotson would teach Professor Clarke's class in sociology, while Professor Flippin would take the economics course. President Ferry said that he could not tell as yet who would instruct the class in advanced economics, which is a study of the labor problem. Captain Fursman will help out Professor Carruth by helping to fill Professor Clarke's place in the Military Department.

Dodge is President of Charlatans and of the Latin Club, besides being a member of Square. He was chosen to speak in the McKinney Prize Declamation Contest last Commencement, and is a Sergeant in the College R. O. T. C. Unit. He is a member of Psi Upsilon.

—Willard B. Eddy, '14, who has been principal of the high school in Hudson Falls, will at the end of this school year remove to Rochester, where he will go into business with the Daniel Calkins Co.

—Dean Crawshaw, of Colgate University, was the guest of honor at the Phi Beta Kappa meeting held at the home of President Ferry on last Thursday evening. The subject of the paper which he read was "Influence of War on the Educational Ideas."

Y. M. C. A. Plans Frolic

Another of the series of get-togethers given under the auspices of the Y. M. C. A. will be held Friday night at 9 o'clock in Commons. The principal sport of the evening is to be an informal Kidding Bee with "Clint" Beach in the saddle of the Field Marshal. Just about the time things begin to get serious Mr. Clum, '18, (a facultate) is supposed to be on hand to lead the singing into channels of his well-known slap-stick art.

Insley, '18, in his role as chairman of the entertainment committee, said, "You might tell the fellows that there probably will be some grub and then urge them all to turn out." After the eats there will be one or two speakers to add a little tone to the gathering. The speakers are being secured by the committee and will probably be men well known to the college body.

Early Drill Undecided

Military Department to Have Choice of Afternoon for Hiking—General Orders No. 2—Fursman, Captain.

The Schedule Committee has approved the proposed plan of drilling from 7:30 to 8:05 five mornings in the week after Easter vacation, and have offered to let the Military Department have their choice of any afternoon in the week for the purpose of hiking. As yet neither the Faculty nor the Military Department have made a decision on the matter.

General Orders Number 2 were read Monday. The text is as follows:

"Hamilton College, Clinton, N. Y.,
February 5, 1918.

1. From this date Mr. J. S. Fursman will act as instructor in the Department of Military Training, with the rank of Captain.

2. On Monday afternoon Captain Fursman will be in command of the companies during drills."

Less Book Work

With the calling of Professor Clarke into active service with Base Hospital Unit No. 48, a vacancy is left in the instructors of the Military Training Department. This place will probably be filled by Captain Fursman. From now on, there will be less book work in class, and more practice in aiming and sighting drills. No definite plans can be made for the spring until the proposed plan of drilling before chapel has been acted upon by the Military Department. If the plan goes through, we will have one afternoon a week given over to hiking, which will include practical work in elementary tactics.

THE CHAPEL PREACHER

The chapel preacher Sunday was the Rev. Davis H. Craver, pastor of the North Presbyterian Church of Geneva, N. Y. Next Sunday the Rev. William P. Scherr, secretary of the Board of Foreign Missions of the Presbyterian Church in New York, will speak.

HOCKEY SEASON TO END IN HARD GAME

Local Seven to Take the "Rass" Out of Erasmus Saturday—Strong Team Has Good Record

To take the "rass" out of Erasmus Hall High School of Brooklyn next Saturday will require considerable work on the part of the Hockey Team on the four remaining days before that game. With no game last Saturday and continued thawing, the team has had no work in preparation for the one game that will require it. Erasmus Hall's hockey seven is now leading the series for the interscholastic championship of Long Island.

The Brooklynites have had their own way with the minor teams about New York. However, they succumbed to West Point 2-0, and to New York Military Academy 4-2. Their mainstay is undoubtedly Hall, a young Canuck, whom Charlie Seaver, who played with him last season, describes as a "streak with the puck." He plays left wing. MacPhee, captain of the aggregation, is a fast guard, and with Hall, forms a strong nucleus for the Easterners. Moller plays point; Adams, cover point; Mohle, rover; V. Botting, right wing.

Kaiser to be in Line-up

Al Kaiser will probably go in at center if he holds up in practice this week. The rest of the team will remain about the same. White will be shifted to left wing. Coach Prettyman declares that if the game is to be played, much work will have to be done in the daily practices this week, for the Brooklyn boys have training every day on a rink of perfect ice, and will come here with an ambition to nab a little collegiate glory.

HAMILTON GIVES $792.75

A final report from New York shows that Hamilton gave $792.75 to War Relief work when the subscription was taken some time before Christmas. Of 198 men in College 100 were represented in the gifts and 13 members of the faculty. The 100 men gave $637.75, while the 13 professors contributed $155. The money was handled in New York by the Local Institutions Auditing Committee of the Students Friendship War Fund of the Council of North American Student Movements. The money went for Y. M. C. A. work in the prison camps in Europe.

MORE CLASS HOCKEY

As the first Inter-class Hockey Series ended in a tie and much interest was aroused, an attempt will be made to run off a second series of games in order to decide the class supremacy on the ice. If the ice is in condition two games will be played this afternoon and two more will be run off on Thursday. The return of Al Kaiser to the line-up will strengthen the Freshmen materially.

—All candidates for the Track Team are requested to report in the Gym. at 4:30 this afternoon.
